In order to enable settler to negotiate a sale of land in cases of this character, special instructions were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1918, P.C.1048), which enables the Minister, on application of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land [illegible] in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these instructions, the Board hereby requests that the right, title and interest of His Majesty in the [illegible] be vested in the Soldier Settlement Board. THE FLINT COAL,

Lucky Strike, Alta. Apr. 9, 1914.

Secretary, Dept. of the Interior,

Ottawa,

Ont.

Dear Sir,

I have been operating a coal mine here on the S.E.¼ Sec.10, T.3, R.11, W.4th for the past four years. The said quarter has never been held for homestead until present and is composed of about 100 acres rough Coulee land unfit for agricultural purposes. The coal mine is situated in this Coulee and has one main trail in bottom of Coulee and a short wagon road graded up west bank to my homestead which the party who has recently filed on said land determines he will close against my will. Is this Coulee land which is of no value for agriculture to pass into the hands of present homesteader and if we agree to settle by arbitration can the arbitrators decide on road allowances as to location, etc.,

From the top of Coulee bank at the mine to my own land is only 20 rods and I have graded and used the trail to and from the mine for some time. By this trail there would be a great advantage of access to the mine from the west as I propose to lease a wagon road from the public through my land to west side of section to regular road allowance To whom should payment for surface rights be paid in case we can agree to price. Can homesteader close the roads in use

before

homestead entrant to arbitration in the manner set forth in this and following section of the Regulations.

You make inquiry as to whom payment for the surface rights should be made, and in regard to this you will be further advised.

I beg to acknowledge the receipt of your letter of the 4th ultimo referring to coal mining operations which you are carrying on on the South East quarter of Section 10, in Township 3, Range 11, West of the 4th Meridian, in which you state that this quarter section has recently been granted under homestead entry and that the entrant proposes to close the road which you have been using as a means of access to your mine.

In reply to the various inquiries which you have made I may refer you to the provisions of Section 26 of the Regulations attached to your lease, from which you will see that it will be necessary for you either to make an arrangement with the homestead entrant for entry upon the location and forthe acquisition of such surface rights as you may require for the efficient and economical operation of the rights held under your lease, or if this is not possible, you may apply to the Minister for permission to submit the matters in dispute between yourself and the homestead

Dear Sir— I beg to submit herein enclosed for your approval, an agreement between T. E. Simpson (homesteader), and myself, as to lands for roadways leading to Coal mining Lease No 214.

The roads mentioned herein are other than the one contained in arbitration award which is still pending your approval.

These roads are very essential to convenience to approach the mine, and I have submitted to certain demands made by Mr Simpson as contained in the agreement and since each must meet with your approval.

This file has been forwarded to me in connection with Reference 3442577.

Mr. H. B. Hughson, who is the lessee of certain coal mining rights, appears to have entered into an arrangement with Thomas E. Simpson, the homesteader of the South East quarter of Section 10, Township 3, Range 11, West of the 4th Meridian, whereby the former is permitted to cross over the lands of the homesteader.

This would appear to be an agreement affecting the homesteader and the coal lessee only, and not one with which the Department should interfere, unless you consider that Mr. Simpson has exposed his homestead entry to the risk of cancellation by entering into the said agreement.

The matter in dispute between the coal lessee and the homesteader has already been submitted to arbitration, and the arbitrators would appear to have agreed upon an award. I scarcely think that the agreement now forwarded by Mr. Hughson should be retained on the files of the Department.

The application shall contain a full description by section, part of section, township and range, of the land applied for.

Application for a coal mining location, situated in unsurveyed territory, shall be filed by the locator in person with the Agent of Dominion Lands for the district in which the location is situated, or with a Sub-Agent for such district for transmission to the Agent, within thirty days from the date upon which the location applied for was staked in accordance with section 63 of these regulations. (5) The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated, within twenty days after the date of the appointment of the last arbitrator. Dear Sir

With reference to your letter of which I received the 26th ult in which you ask me to inform the department what I intend to do on my homestead during the present season in the way of breaking and cultivation. Will I beg to inform you that I have 20 acres in crop now and I am going on breaking 20 acres more and letting it lie over for next spring that will make 40 acres when I get it finished. you say in your letter that the report was very unsatisfactory owing to me only having 3 acres broke as it was a dry year that was all I could get done and the next year I had my breaking paid for and the man failed to turn up to do it so that year I got horses and did the breaking and cultivating myself as I have now 5 horses and 2 cows and going on for mixed farming hoping you will see that it was not our fault as I dont want to do anything that is not right

Yours Faithfully

In reply to :-

After carefully considering the language of [illegible] the various objections which have been raised by Mr. Pugsley to Mr. Nelson [illegible] and the bad impressions which the publication has created, and the bad impressions which the publication has created, and the possible use [illegible] of section 1 of the Indian Act, I am satisfied that the present policy in so far as [illegible] is not contrary to the provisions of that section - provided of course that no real estate is [illegible] considered necessary by the Minister for the efficient and economical working of the coal mining rights [illegible] Mr. Nelson.

The [illegible] other considerations suggested in the above [illegible] matter of importance to this department, and I suppose that the terms of the petition are [illegible] warrant the [illegible], the letters-patent to issue if not [illegible] of the [illegible] of the coal areas [illegible] to Mr. [illegible] I have [illegible] and sign- [illegible] accordingly.

I beg to invite your perusal of Mr. Rothwell's memorandum of the 10th ultimo hereunder, and to request you to kindly advise me if the whole of the area covered by the assignment is necessary for the efficient and economical working of the coal mining rights granted under the lease to Mr. Hughson.

Ottawa, 26th Sep ber, 1916.

Mr. W. O. Cote,

[illegible],

Re your memorandum of the 11th ultimo, here-

der.

It would appear that the award of the arbi-

trators in the dispute between Mr. H.B.Hughson, a coal mining lessee, and Mr. T.F.Simpson, a homesteader, has been confirmed by the Deputy Minister, and is that the lessee and the homesteader agreed that the ~~latter~~ former should acquire seven and one-half acres of the homestead, under a lease, for which he is to pay rental, at the rate of 6% per annum, of the amount of the purchase price set out in the award, which was $10.00 per acre.

The confirmation of this award is dated the 10th of March, 1916, but from subsequent correspondence it appears that Mr. [illegible] has not yet accepted a lease under these conditions.

In view of this award, it would appear that the title of the coal mining lessee of the land referred to, is to be in the form of a lease from the homesteader.

Sir,

This Department has received a letter from T. M. March 10th 1913

I received a letter from the Department of Mines and was very much surprised from that letter that I was in trouble with the Department of Mines. I want to tell Mr. Hughson how the matter was settled and the agreement that I have to meet with, and of which the Department knows very well if I am in trouble, and I could know that I might be in trouble the Department with this, for we have been writing the Department so much of the trouble with Mr. Hughson. But 3 years ago he came to me to ask if he could have the terms of my land with me to extend it out East the one reserved by the Colonization, well I told him he would get me into trouble with my North and South neighbours. If he would arrange with them so I was getting tired of the battle he had, had so I said if he made it alright with them I was not spoiling anything on my side so he said he would see them, well he came again and said it was alright so then so I said alright let them go ahead. Well then wanted to know if could not let him a road out West also, so I said well no as that would mean crossing through my crop. Well he said he would pay any price for a road out West. Now I know I was up against a mean proposition but I never dreamt how mean I told him the road out would not help the coal trade, no he said but he would like a road very much. Now as he has his land on the West side of me and his coal there is coal on the centre of my home-stead, he has a house and buildings on my land and a shack and Barn on his own land so I asked him why he wanted that road out I got so much for as we had been there 2 years then and had seen only one load of coal go out that way besides what he took up to his own shack and I said when my crop was out I would not mind

him handing up his coal for the winter & I was going
to give him back my own face so I got my men
& thought I was & if ever we wanted to go back
England once & for all he wanted to get that
[illegible] & I let me fully get it. that was all he
wanted for until he kept on until he threw me off
my ground and I said alright and he had an agreement
even if was in this agreement it was to farm me
work in his mine when he had it and I was very badly
in need of work for until then he would not let me
work in his mine because I had filed on this home-
-ine and I had no horses & a cattle and a Wife and
family to help until he let me work and things went
fairly well for 2 months then he got short [illegible] men
working & and he gave me such a time that I
can't [illegible] something was wrong for it appeared no
matter all my things so I asked him if he had got
that agreement and when I was to sign the other one
& he said what other one so I said if we had an
agreement I could [illegible] as well as him Oh no
you won't he said and I have sent that agreement
to Ottawa. So I wrote the Department at once and
had word to approve of it, Now I came from England
& was down here in the Home Guarding Country within
a month of leaving England and had heard very
little about this Country up to then, now when I wrote
the Department they answered me and said I could

If it is proposed to advise them definitely on this point, the question as to whether the total area assigned is considered necessary by the Minister would have to be determined in your Branch.

Re N.E.¼ 10--3--11, West 4th M

In reply to your memorandum of the 6th instant, I beg to state that the agreement referred to between Mr. H. B. Hugheon and Mr. T. E. Simpson is no doubt the document, attached to file No. 2117617, which was enclosed in Mr. Hugheon's letter to the Department of the 30th December, 1915, on file 2117617 above referred to, which is sent to you herewith. I see no objection to such document being returned to Mr. Hugheon's Solicitors, Messrs. Shepherd, Dunlop & Rice as requested in their letter of the 7th and 21st ultimo.

This agreement has been copied in triplicate and one of the copies has been placed on this file and the two other copies are attached to File 2117617.

A statement is attached hereto showing the standing of the lands about which Messrs. Shepherd, Dunlop & Rice enquired.

I am in doubt as to whether it would be advisable to give Messrs. Shepherd, Dunlop & Rice a definite reply to their enquiry as to whether or not such agreement is null and void under the provisions of Section 31 of the Dominion Lands Act. In this connection your attention is called to the Law Clerk's memorandum of the 10th July, 1916, on File 217617 herewith, It will be observed that Mr. Rothwell

stated

Before we would be in a position to deal with the question as to whether or not the roadway is needed, it would appear to be necessary to have sketches made and a report obtained from Mr. Finnie, but in the meantime I think the agreement, of which copies have been made and placed on both files, might be returned to Messrs. Shepherd, Dunlop and Rice, Lethbridge, the solicitors for Mr.Hughson, who are asking that it be sent to them.

Memorandum:

MR. ROWATT,

You asked me to look into this case of a dispute between Simpson, the owner of the surface rights, and Hughson, the lessee of the coal mining rights, respecting a right of way.

Arbitration proceedings were invoked and an agreement reached providing for the leasing of a certain right of way. Subsequently this right of way was found to have been badly selected and another agreement made between the parties, the original of which is on the file herewith, relating to the homestead. When this second agreement was entered into, the patent had not been issued in favour of Simpson for the homestead. The patent was issued on the 14th of November last, and the solicitors for Hughson asked for the original copy of the agreement and to be advised whether the fact that Simpson entered into this agreement prior to obtaining patent renders such agreement null and void under the provisions of Section 31 of the Dominion Lands Act.

Mr. Rothwell is of the opinion that the agreement was not contrary to the provisions of the section referred to provided the total area that Simpson assigned under that agreement is considered necessary by the Minister for the efficient and economical working of the coal mining rights granted in the lease to Hughson.

Before

that agreement is considered necessary by the Minister of this Department for the efficient and economical working of the coal mining rights granted to Mr. Hugheon. A further communication respecting this matter will be sent to you in due course.

Gentlemen,

I beg to refer you to your letter of the 7th of March last, asking for the return of the agreement on file in the Department, entered into between your client, Mr. H.T.Hughson, the holder of a coal mining lease, and Mr. T.T.Simpson, the owner of the surface rights of the land comprised in that lease.

In my letter to you of the 4th ultimo, it was stated that the agreement was not on file in this Branch, but that it might be on the file relating to the surface rights of the land. This appears to be the case, and in accordance with your request, the document is enclosed herewith.

Enc.

In your letter of the 21st of March, you stated that you are chiefly interested in ascertaining whether the agreement referred to is null and void, in view of the provisions of Section 31 of the Dominion Lands Act.

In this connection I am to say that it would appear that the agreement might not be considered contrary to the provisions of the section to which you refer, provided the total area that Mr. Simpson transferred under

Mr. Spence,-

There is no doubt that Mr. H. B. Hughson requires a certain amount of surface for the operation of his mine and also as a means of access to and from the mine. I am unable, however, to say whether the roads, as shown on the plan hereunder, are the proper and best located ones. It would appear from this plan that the roads agreed upon do not lead to any other road allowances. They seem to have blind ends. I cannot tell without a personal inspection whether these diversions are correctly shown on the plan. If you wish me to make a personal inspection during the coming summer, I shall be very glad to do so. Please advise.

Gentlemen,

I beg to acknowledge the receipt of your letter of the 7th ultimo, with further reference to Coal Mining Lease No. 391, issued on the 9th of November, 1910, in favour of R. B. Hughson, comprising 77.5 acres in Township 3, Range 11, west of the 4th Meridian.

It would appear, however, that the issue of a lease by Mr. Simpson to Mr. Hughson of a portion of the surface of his lands for right-of-way and operation purposes would scarcely necessitate the leaving out in the letters patent to be issued by you of the area so leased, as the arrangement arrived at would appear to be one affecting the parties thereto only, and will no doubt terminate when the coal mining lease expires.

In your memorandum dated the 22nd instant you state that, before the request made by Messrs. Shepherd, Dunlop and Rice to obtain the approval of the Minister, under section 31 of the Dominion Lands Act, of the agreement between Hughson and Simpson is brought to the attention of the Deputy Minister, you desire to be advised if the total area assigned is considered necessary for the efficient and economical working of the coal mining rights granted under lease to Mr. Hughson.

In reply I beg to refer you to a copy of a memorandum underneath dated the 13th ultimo, from Mr. Finnie, Inspecting Engineer, in which he states that there is no doubt that Mr. Hughson requires a certain area of surface for the operation of his mine, as well as for a means of access to and from the mine.

I also beg to refer you to the approval by the Deputy Minister of the award of the arbitrators, granting to Mr. Hughson certain surface rights over the lands acquired by Mr. Simpson.

There would appear to be no doubt that the area of surface rights which Mr. Hughson has acquired in this connection is necessary for the efficient and economical working of his mine, but in order to establish that fact beyond doubt I think an inspection by Mr. Finnie on the ground might be necessary.

Ottawa. August 21st, 1908.

Sir,

Replying to your letter of the 8th ultimo, I am directed to say that applications to share in the South African volunteer grant should be made direct to the Department of Militia and Defence here, as that Department will have to issue a warrant authorizing the Minister of the Interior to make the grant in each individual case. The grant comprises two adjoining quarter sections of any land in Manitoba, Saskatchewan and Alberta open for homestead entry, and is subject to the performance of the usual homestead conditions. The land warrant, when issued, may be located at any time on or before the 31st December, 1910. The volunteer or his substitute may, in lieu of the land, accept scrip for $160 payable to bearer and redeemable at its face value by the Government in payment for Dominion lands. No assignment of the volunteer's right can be recognized under the Act which may have been executed prior to the date of the issue of the warrant by the Minister of Militia and Defence.

The grant cannot be located in the Railway Belt in British Columbia.

Dear Sir:

Re: Pauline Schmuland
nee Liske

I have your letter of the 5th of July, 1955, relative to your enquiry as to the age of the above-named.

In reply, I wish to inform you that our records disclose that one Ludwig Liske applied for homestead entry on the 12th of March, 1901, for the N.W.¼ of 24-46-26 W.4th Meridian, Wetaskiwin, Alberta. He stated that his family consisted of five persons; Nationality: German, from Russia.

In his sworn statement dated the 26th of October, 1905, in support of his application for Patent for the said land, which was issued in his name on the 19th of March, 1906, he gave his age as 41 years, and stated that his family consisted of his wife and six children. I regret to inform you that the names or ages are not shown in our records. He was naturalized at Edmonton, on the 21st of January, 1904.

We also have a record of one Gustav Schmuland having purchased part of the N.W.¼ of 3-45-24 W.4th Meridian, Wetaskiwin, Alberta, and Letters Patent were issued in his name on the 13th of June, 1912. We do not have any record of his age, or as to whether he was married or single, as this information was not required when land was purchased.

The other alternative would be the Records Division, Department of Citizenship and Immigration, Ottawa. Mrs. Schmuland may have the information that would assist them in making a search of records, viz.: the year and month they arrived in Canada; Port of Embarkation; Port of Arrival, and name of the Vessel.

Yours very truly,

Please obtain Homestead Inspector's report.

Sir:-

With reference to your letter of the 9th ultimo, enquiring as to whether your mother could be permitted to secure the North East ¼ Section 26, Township 39, Range 7, West Fifth Meridian as a homestead, I beg to say that the records here show that this land was granted on the 15th July, 1907, to Mr. W. F. Haworth.

In the case of desertion for three years, the entry of the husband may be cancelled and the entry given to the wife. In such an event if the wife had fulfilled the settlement duties between the time of desertion and the date of entry, she would be granted patent forthwith, or as soon after as the duties had been fulfilled. In the present case, so long as your mother lives upon the land and continues to perform the duties, the entry will not be disturbed.

Encl.

I enclose herewith a blank form No. 36, and would ask you to be good enough to have your mother return it to the Department showing what residence and improvements have already been performed.

Mr. Haworth's entry and granted Mrs. Haworth re-entry for this land.

It seems to me that the Agent's action in this matter was irregular, as, apparently, he should have submitted the matter for the consideration of the Department and awaited receipt of instructions from here.

I would call your attention to the fact that, evidently, Mr. Haworth is in touch with his family, as he remits small sums of money to his son.

Please state whether the Agent's action is to be confirmed,- or whether further enquiry should be made in regard to this case by a homestead inspector.

Respectfully submitted,

Ottawa, 21st August, 1911.

Memorandum:-

Mr. E. F. Haworth was granted entry for the N-E. ¼ of Sec. 26---39---7, W. 5th M., on the 15th July, 1907.

Mrs. Haworth lodged a complaint with the Department that she had been deserted by her husband, and the usual reply was sent her in regard to the practice after desertion for three years.

A homestead inspector's report on file sets out that the entrant left his land in August, 1908, and that he has not since returned; also that the wife and the family (consisting of seven children) have lived continuously on this quarter section since date of Mr. Haworth's entry, and they have also made the major portion of the improvements.

On the 1st instant Mrs. Haworth filed a statutory declaration with the Agent, which reads as follows:-

> "Elijah F. Haworth is my husband, that he deserted me and my family on or about the 1st August 1908 and that I have received no support monetary or otherwise from him since that date. He sends small sums of money at different times to my son, Wes.Haworth, who holds entry N.W. 14 in same township, to help him on his homestead and this son helps me with my work on the land."

On the strength of the information set out in the declaration in question, the Agent cancelled Mr. Haworth's

Sir,

Re N.½ 15-5-11, W.4th M.,
Homestead and pre-emption - Almond Freeman.
Memo File Nos.8:509-10.

Superintendent Cuttle in his letter of the 16th March last, quotes as follows from a report of Homestead Inspector Mayberry in reference to this case:

"This man is not in the district and his present "address is Manna, Alta.

"Mr. L.C.Sutton has had Mr. Freeman's homestead and "pre-emption rented. There are 14 miles of fencing "value $100.00.

"There were 80 acres in crop last year on the "homestead from which was threshed 175 bushels.

"The opinion in the neighbourhood is that he will "not return to this district."

Inasmuch as these entries were granted on the 19th July, 1917, you will be good enough to institute cancellation proceedings on behalf of the Department under the five year clause and cancel in the absence of a defence.

In the meantime you should arrange to notify Mr. L.C.Sutton, who is reported to have rented the land, that Mr. Freeman has no authority to assign his interest prior to the issue of patent, entry for the land having been granted him for his own use and benefit. He should be warned that any further work done on the land will be at his own risk.

N.½ 1-5-10-4

I beg to acknowledge receipt of a copy of your letter of the 7th ultimo, addressed to Mallaney & Burnet Barristers of High River, Alta.

Mallaney & Burnet in a letter to this office dated 16th Nov. last, requested a statement of the balance due this Department from Clement Webb and the S½ 12-5-10-4. and the N.½. 1-5-10-4. You will note that the indebtedness of Webb stands against the S½ 15-5-11-4, since cancelled. The indebtedness against the S½ 12-5-10-4 and the N.½ 1 is given in the name of John Charles Sullivan. Sullivan's indebtedness was paid in full on the 15th Jan. 1917. Webb owed a balance to this Department of $61.60 against the S½ 15-5-11-4 with interest from the 24th Nov. 1915, and as the Fodder lien for $61.60 was given by J. C. Sullivan, per Clement Webb, against Sullivan's land a statement of Webb's indebtedness was furnished Mallaney & Burnet on the 27th Nov. last, a copy of which was forwarded to your office. The payment of $65.83 reported in your form 272 for the 31st April last, and made by Mallaney & Burnet was evidently intended to pay this indebtedness. As Sullivan's indebt dness has already been paid in full, I am applying the payment of $65.83 against the indebtedness of Webb and the N.½. 15-5-11-4.

Important:

Your attention is called to the fact that during the years of crop failure the Department has been very lenient in granting extensions of time to those who were unable to make payments of amounts due in connection with entries to which purchase conditions are attached. From present indications it would seem that there is every prospect of a bountiful harvest in the Prairie Provinces this year and the Department will expect those who are able to do so to liquidate their indebtedness promptly. Further protection will not be granted unless the inspection which will follow this notice shows that circumstances are such that payment is impossible.

Dear Sir,-

Re - N.E. 15-5-11-W.4th M.
Pre-emption - Almond Freeman

In reference to yours of the 5th December, last, File 2121442, I beg to say that I wrote Inspector May Berry asking him to visit the above land and submit a report. He has now done so and you will see below a copy of same,-

" This man is not in the district "and his present address is Hanna, Alta.

" Mr. L.E. Sutton has had Mr. Freeman's "homestead and pre-emption rented. There are 1½ "miles of fencing value $100.00.

" There were 20 acres in crop last "year on the homestead from which was threshed "175 bushels.

" The opinion in the neighbourhood is " that he will not return to this district.

I would recommend that final notice be issued in this case.

Yours respectfully,

Homestead and pre-emption - Almond Freeman.
Agency File Nos.82509-10.

Superintendent Cuttle in his letter of the 16th March last, quotes as follows from a report of Homestead Inspector Mayberry in reference to this case:

"This man is not in the district and his present "address is Hanna, Alta.

"Mr. L.C.Sutton has had Mr. Freeman's homestead and "pre-emption rented. There are 1½ miles of fencing "value $100.00.

"There were 20 acres in crop last year on the "homestead from which was threshed 175 bushels.

"The opinion in the neighbourhood is that he will "not return to this district."

Inasmuch as these entries were granted on the 19th July, 1917, you will be good enough to institute cancellation proceedings on behalf of the Department under the five year clause and cancel in the absence of a defence.

In the meantime you should arrange to notify Mr. L.C.Sutton, who is reported to have rented the land, that Mr. Freeman has no authority to assign his interest prior to the issue of patent, entry for the land having been granted him for his own use and benefit. He should be warned that any further work done on the land will be at his own risk.
